Hi Jess,

Does the Sheriffs Department ever get involved with reviewing and commenting on large projects? This one is about a 200 acres. The Fire Department has a review process, but does law enforcement typically?

Good afternoon,

My name is Trayci Nelson and I am the Contract Planner for the City on the Oak View Estates project. The City of Bradbury is reviewing the above referenced project for possible future entitlements and development and we would like your input. Please review the materials and provide any written feedback you may have. As the memo indicates, City staff will be hosting a Development Services Group (DSG) meeting on August 22, at Bradbury City Hall and would like for you to attend to discuss the project and your findings in general, an invitation will be forthcoming. If you have any questions or need additional information, please call me at either number listed below or, feel free to email me here and at tnelson@cityofbradbury.org <mailto:tnelson@cityofbradbury.org> . Finally, If you would like a full size hard copy of the map please email your address and I will mail one immediately.
